

The camp is organized and led by Rob Gieraltowski (Dir. for Jr. High) along with staff from LOMC.

#### **Financial Assistance Available**

Scholarships for camps are based on financial need. A scholarship form must be filled out and returned to Rob in the church office with the camp registration form. A partial (usually 50%) payment is expected. Don't let financial situations get in the way of a camping experience for your child!

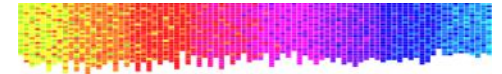

For more information please contact Rob Gieraltowski in the church office at 827-6121, ext.223.

Although there are literally hundreds of summer camps within driving distance, many children are not ready to attend a full-week camp experience away from home and family. Camp45 provides a shorter experience to help children overcome homesickness and

**8 adults are needed to help lead** this exciting weekend camp experience. What a great opportunity to not only get to know your own child better but their friends at church! **\*\*Please note there is a lot of hiking especially up and down hills.**

**Camp 45** is a great way for preteens to become more connected to other children and adults. These connections made in the late elementary years help significantly in their preparation for junior high church life. It's a great weekend as Camp 45 has brought together over 170 people in the past **seven** years!
