

Have you ever wondered...

What goes on at Traditional Services?
Why people wear long white robes?
Why we light candles?
Why they carry banners and crosses
into a special service?

Have you ever thought

it would be cool...

To read the lessons for others to hear?
To serve communion to others?
To light the candles as an acolyte?
To help lead a worship service?

**Don't you want to
worship AND lead? **YES!****
