

Dear Parents/Guardians:

Welcome to an exciting year at Noah's Ark! This year, for the first time, our school will be participating in the *Labels for Education* program. My name is Karin Streily and I am the *Labels for Education* coordinator for our school. Through the program, we can collect UPCs and beverage caps from participating products to earn points that can be redeemed for FREE educational merchandise!

Our goal this year is to collect as many points as possible that we can redeem for new items for our preschool. It's easy to help—simply save UPCs and beverage caps from participating products and drop them off in the box located on the sign-in desk.

It's not just soup labels that count anymore! *Labels for Education* can be found on everything from BIC® pens, PEOPLE magazine to yogurt. For a complete list of participating products and point values, please visit www.LabelsForEducation.com.

You can also help us earn even more points by registering your rewards cards, such as Kroger and Jewel Osco at http://www.elabelsforeducation.com/Sites/Campbells_eLabels/Page/HomePage.

If you have any questions, or would like to help with our *Labels for Education* collection drive, please contact me at 309-452-6034 or via e-mail at kelst19@yahoo.com.

Thank you for your support. Together with the *Labels for Education* program—we can build a better school for our children.

Sincerely,

Karin Streily

Noah's Ark
