Senior High Work Camp 2012

**July 7 - 14, 2012
 Birmingham, AL.**

The **2012 Work Camp** site is **Birmingham, Alabama** the week of **JULY 7 – 14, 2012**. Birmingham is an industrial city in Alabama which was hit with devastating tornadoes last spring and needs lots of assistance.

St. John's Senior High Youth Ministry Program has been participating in Group Work Camps for the past eleven years. This weeklong mission trip aims at putting the Gospel message of service into action through ministry to the poor, elderly & disadvantaged in a community.

Our ministries include various service projects but also prayer, and building a strong and faithful community of youth and adults gathered together in the name of Jesus.

We will meet most months during the year to prepare for our Mission. These meetings are VERY IMPORTANT to help build community and keep up in our fundraising. There will also be opportunities to prepare through service projects.

We need Adult Leaders!

Last Year's Work Camp

Last year we went to Grand Rapids, Michigan where 55 youth and 11 adults served that city's community..

We rebuilt porches, built ramps, repaired a roof, and painted numerous homes for the residents of Grand Rapids. There is always lot's of painting.

We also had wonderful devotions each evening in large group and in our Church group that helped us to **REMAIN** in Jesus and renew our faith and be hope for the poor, release for the captives, sight for the blind and freedom for the oppressed. In these devotions we had song, videos & fun, ending always in prayer.

But it isn't all work and prayer. There was lots of time for fun & fellowship, often including bags on the quad, ultimate Frisbee, Ninja games in the hallways, basketball, cards, spoons, dancing & singing. A great week to know God better and build lifelong friendships.
