Lent is Coming

Lent is coming very early this year. Ash Wednesday is actually Feb. 6th. So get yourself ready for Lent. Try to make this season one in which you truly attempt to put prayer at the front of your priority list.

Look at how your relationship with God and others are and look to make amends. Finally, be active in acts of mercy and charity this Lent. Look for a Guide To Lent on ways to make Lent more meaningful this year. It will soon be available near the Youth Office and on line in the Senior High website. **Lent: a time to ... Prepare – Pray – Do Service – Reconcile and get closer to God.**
