St. John's Senior High Work Camp 2009

June 28- July 4, 2009
Bolivar, TN.

The **2009 Work Camp** site is **BOLIVAR, TENNESSEE** the week of **JUNE 28 – JULY 4**. Bolivar is located in the southwest corner of Tennessee and is about 50 minutes from Memphis.

St. John's Senior High Youth Ministry Program has been participating in Group Work Camps for the past nine years. This weeklong mission trip aims at putting the Gospel message of service into action through ministry to the poor, elderly & disadvantaged in a community.

Our ministries include various service projects but also prayer, and building a strong and faithful community of youth and adults gathered together in the name of Jesus.

We will meet monthly during the year to prepare for our Mission. These meetings are **mandatory** to help build community and keep up in our fundraising. We will also be doing some service projects in our small groups to practice ministry.

ST. JOHN'S SENIOR HIGH

CHRISTIAN SERVICE
LAST YEAR'S WORK CAMP

Last year we went to Wheaton, MN where 77 youth and 16 adults served that city's community..

We rebuilt porches, built ramps, and painted numerous homes for the residents of Racine. Lot's of painting.

We also had wonderful devotions each evening that helped us to be **Loving Out Loud** by risking, serving, forgiving, multiplying & lasting. In these devotions we had song, videos & fun.

But it isn't all work and prayer. There was lots of time for fun & fellowship, including ultimate Frisbee tournament, cards, spoons, dancing & singing & oreo cookies. A great week...
