Do you want to make a **difference**? Have you thought about doing something really amazing and **stepping up**? Do you have questions about God and your faith? Then you should go to **Nazareth Farm** with the St. John's College group this May.

Nazareth Farm is a week of ministry in Appalachia with prayer, service, simplicity and community working together in Mission – just like Nazareth Farm. It is an opportunity for a Christian immersion experience to Live the Gospel message with an emphasis on Service - living simply – Christian Social Justice – and Prayer.

Nazareth Farm is the best example of Faith in real action that I have ever experienced and hundreds other high school and college students will tell you the same thing.

The **Nazareth Farm Mission Trip** for College Students still has openings for sign up. Our week for Nazareth Farm is **Jan. 2–8, 2011**. The total cost is \$300 with \$100 due at sign up. There is scholarship money available to help with the costs.

God has been whispering in your ear about getting to know him better. I am SHOUTING in your ear about this incredible week in the mountains of West Virginia. Go to **NAZARETH FARM** and don't delay. It is your time to say "YES" to God!
